Geffdog Winter Invitational – December 5-7th, 2024 @ the Aberdeen Dome

Status Update (Jared/Dana):

- Currently have 35 registrations which is less than previous years
- 4 days away from registration deadline of Dec. 15th
- Mandan now has a tournament the same weekend which is drawing the Tri-City Teams.
- Yankton is also having their tournament that weekend
- Brackets will be made following registration deadline. Dana & Jared will call teams if needed to negotiate filling out brackets.
- Potential to have teams practice at the Dome the week prior, which would provide the opportunity to begin moving equipment in throughout the week rather than all at once the day prior or of the tournament.
- Permit has been obtained from the City for fundraising. Will move forward with 50/50 split pot as well as Free-will donation at door.

Needs:

- Outside lights –
 - Dusty offered to donate outside lights for use if the City is not able to provide.
- 3 Field sponsors needed @ \$500 each –
 - AVIS Car Rental is a new sponsor.
 - Jennifer to reach out to secure past sponsors.
- Tables & chairs –
 - Dusty has 19 - 6' tables to donate for use.
 - Rich to inquire with 3M on using use chairs. Approx. 40 chairs needed.
- Parking barricades for fire lanes, etc. –
 - Dusty offered to donate 36" cones for use if the City is not able to provide.
- Coolers –
 - Dana to reach out to Chad Lyke as he has donated for use in the past.

Miscellaneous:

- Concession stand still being discussed with the City.
- Jared proposed to create an early Spring tournament, potentially end of April. Either a true indoor tournament or only having 2 games going at once with 9 players. Further discussion required.
