What do you get? 4 – 45-minute sessions to improve technical ability, footwork, speed of play, and conditioning.

Who is it for? U10- U19 -year-old Players that are committed to improving their technical soccer abilities.

What to expect: Technical drills to improve passing, shooting, and ball control. Footwork drills to improve quicker feet, strength, and conditioning.

Evaluations will be given out after the program concludes at the end of May. This evaluation will help guide the player on things to continue working on.

****Must be registered with HCSC for insurance purposes. ****
